20th Annual Millar Angus Bull Sale...where's the time gone!

Join us for our annual bull sale Wednesday, February 17th, 1:30pm at the ranch

Herd Sire Prospect! Millars Double Aught (Millars Duke 816 x Connealy Capitalist 028 daughter)

Where has the time gone! I can't believe this year will mark our 20th annual bull sale. Seems like yesterday Jon and I offered 16 bulls for sale at Philip Livestock. I remember him calling me (yes kids, on his bag phone) as he traveled

to Philip the day before the sale in a snow storm. We wondered if we were crazy and just prayed we'd get all 16 head sold. Twenty years later, we're so grateful of the relationships we've formed and the trust so many have put into our program. We're very sincere when we say, we love what we do and we could not do it without you!

This year's sale will feature our top 130 yearling and two-year-old bulls. All bulls are backed by years of strict culling and have been bred to add performance, length, thickness, carcass, disposition and maternal strengths to a herd. You'll find many of these bulls to be suitable for use on heifers. Some of the sires highlighted in this years offering include: SAV Renown, Millars Duke, Tombstone, Coalition, B Bar Windy, Capitalist 316, Schaack Stingray and Poss Element.

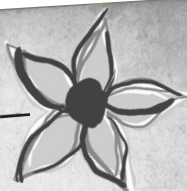

Whether you're in the market for a bull or just wanna day out before calvin' picks up, we'd love for you to be our guest. Tell the wife you'll take her to lunch...grilled steak sandwiches with homemade pies for dessert. Mark your calendar...Wednesday, February 17th at our ranch.

To view a sampling of our bull sale line-up, turn to page 3. Complete sale catalog and videos will be available at: www.MillarAngus.com early February.

— Around the Ranch —

Good bye 2020...hello New Year!
Definitely a time for new beginnings around our outfit. Calves have been hittin' the ground and we couldn't ask for better calving weather! The bulls have gotten their haircuts, pictures and videos taken and are patiently awaiting their big debut!

When it comes to around-the-house, things are always a hustle! Ryle can usually be found outside helping with calving or working on his sheep corrals. Kobi keeps busy playing basketball and loves to make crafts! If vinyl can stick to it, you can bet she'll make it into a fun project. We've even had a chance to do a little roping and riding this winter at the neighbors. Me...well, when I'm not shufflin' kids I find myself in the office this time of year working on the catalog and behind the scenes bull sale stuff.

Here's to wishing everyone a prosperous and hopefully a little more normal 2021!
Give us a call or stop by if you're in the area...we always love to visit!

Behind the Scenes: Cole Stoner & Charley Casteel

— Thanks for all you do —

Cole joined the Millar Angus crew summer of 2019. He's great to be around and his hard work and dedication definitely don't go unnoticed.

Name: Cole Stoner

Hometown: Murdo, SD

Duties at Millar Angus: You name it, Cole isn't afraid to tackle it. From feeding, farming and fencing to cattle work and the inevitable repairs. Cole will get the job done right the first time!

A little bit about Cole: Cole grew up a ranch kid south of Murdo. He spent some time traveling the country as a lineman, before he found his way to us. He and his wife Holly, a Nebraska native...Go Huskers! have 3 kiddos that keep them hoppin'!

Charley grew up just down the road. He'd come every fall to help throw tires on our silage pile. We were so impressed with his work ethic we asked him to stick around full-time!

Name:

Charley Casteel

Hometown: Vale, SD

Duties at Millar Angus: Well, let's just say there hasn't yet been a job we've found that Charley can't handle. From cattle work and chores to machinery repairs, he's up for tackling about anything!

A little bit about Charley: Charley is a go-getter! He milks a couple cows each morning, enjoys trapping and his hunting dogs. It's been fun watching him start his own cowherd, even if there a few Herefords in the bunch!

Sloppy Joes

A quick, easy standby!

- 2 1/2 pounds hamburger
- A little bit of chopped onion
- 2 1/2 Tbsp. worchestershire sauce
- 1/3 cup brown sugar
- 1/2 cup ketchup
- 1 Tbsp. mustard
- 1 can cream of mushroom soup

Brown hamburger and onion, drain. Mix in remaining ingredients. Warm and serve. I typically warm it up in the crockpot, so simple!

Let me set the scene...Jon heads out the door for the day, turns around and says..."Oh ya, we're working cows today, there will be 4 or 5 guys, do you think you could whip something up for lunch?" I immediately head to the freezer and start thawing out some burger!
