

Millar Angus to Host 23rd Annual Bull Sale

Join us Wednesday, February 21st, 2pm at the ranch

Herd Sire Prospect!

Millars Scale House 37 (SAV Scale House x Millars Queen Lass 5273)

It's one of our favorite times of the year...the Millar Angus bull sale! This will mark our 23rd annual production sale and will feature the cream of the crop, our best 140 yearling and two-year-old bulls.

All bulls on display are backed by years of strict culling and have been bred to add performance, length, thickness, carcass, disposition and maternal strengths to your herd. You'll find many of these bulls to be suitable for use on heifers.

Some of the sires highlighted in this years offering include: Millars Duke, Casino Constable, U2 Coalition, SAV Scale House, Myers Fair-n-Square, Wrangler, Thedford and Tehama Tahoe.

Whether you're in the market for a bull or just wanna day out before calvin' picks up, we'd love for you to be our guest. Come for lunch...grilled steak sandwiches with all the fixins' and homemade pie for dessert. Mark your calendar...Wednesday, February 21st at our ranch.

To view a sampling of our bull sale line-up, turn to page 3. Complete sale catalog and videos will be available at: www.MillarAngus.com early February.

— Around the Ranch —

The New Year started off like most...gettin' the calving barn set up and heavies sorted off. Bulls got their hair cut and pictures taken and will be ready for the big day! Throw in the day-to-day chores and our January/February is kind of a blur!

The kids and I kicked the New Year off with a quick trip to Arizona...we had a blast! Jonny Boy insisted we take the trip while he stayed back to hold down the home front, he's such a trooper! Did a little team roping, sight seeing and pottery shopping. Before we knew it, we were leaving the warm 60 degree weather and headed back to good ole' South Dakota, just in time for winter. Ryle keeps busy between his online school and helping around the ranch. Kobi's travel volleyball has started up and me...well, I lock myself in the office this time of year to work on the catalog and all the behind the scenes bull sale stuff.

Here's to wishing everyone a safe and happy 2024! Give us a call or stop by if you're in the area...we always love to visit!

Focusing on the Customer:

Grubl Ranch

Shane & Launa Grubl

"Millar Angus has been great to work with and it's reassuring to know they stand behind their product."

A little bit about the Grubl Ranch: Our ranch is located north of Red Owl, SD where we run a fall calving operation. We wean all of our calves in early spring, retaining the majority of our heifer calves

for replacements. Our remaining weaned calves are then sold at Ft. Pierre Livestock in early June.

Millar Angus genetics on the

Grubl Ranch: In this day and age in the commercial cattle producer program, you need the essentials in your cattle: structure for longevity, gain ability and fertility. Another factor that we look for in our program is disposition. We can find all of these traits in Millar Angus genetics. Millar Angus has been great to work with and it's reassuring to know they stand behind their product.

Shepherd's Pie

Simply to make, family favorite!

- 1/2 box of mashed potatoes (+ ingredients needed to make them)
- 1 lb ground beef
- 1 - (12 oz) bag frozen veggies
- 1 - (10.5 oz) can tomato soup
- 1 - (1.5 oz) packet beef stew seasoning
- 1/2 cup water
- 1-2 cups shredded cheese

Preheat oven to 400 degrees

Prepare mashed potatoes according to package directions. Brown ground beef, drain.

Add tomato soup, frozen veggies, beef stew seasoning and water to browned beef. Stir and simmer on low 5-10 minutes. Spread ground beef mixture on bottom of greased, 9x13 baking dish. Spread mashed potatoes over top, then sprinkle with cheese.

Bake uncovered on center rack for approx. 30 minutes, or until cheese starts to brown.

I usually double the batch so we have leftovers. I LOVE leftovers (aka "Fend for yourself nights!")

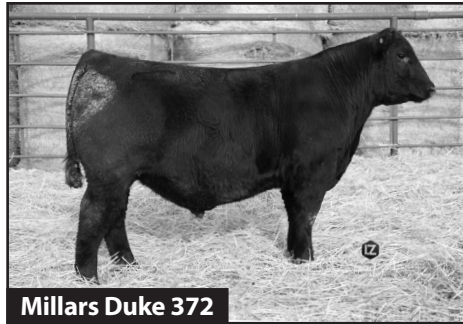

Sample of our 2024 Bull Sale Line-Up

Here's a sneak peek at a few bulls in this year's offering.
