

## Millar Angus to host 25<sup>th</sup> Anniversary Sale

Join us Wednesday, February 18<sup>th</sup>, 2pm at the ranch

**NEW Sire, Millars Hondo 349 (Millars Duke 816 x Millars Goldie 9284)**

**Excited to introduce his first set of calves at this year's sale.**

Owned with Shipwheel Cattle Co. & Whistling Winds Angus of MT

Where have the years gone! I remember our first sale like it was yesterday. We sold 16 bulls to a crowd of buyers at Philip Livestock. Fast forward 25 years and we find ourselves with a larger cowherd to feed, a long list of repeat customers who have become friends and a couple wonderful kids who appreciate the ranch life as much as we do. A couple things that haven't changed...we love producing good seed stock and our annual bull sale is one of our biggest highlights of the year!

This year we bring you the cream of the crop, our top 150 bulls. All bulls have been bred to add performance, length, thickness, carcass, disposition and maternal strengths to your herd with many suitable for use on heifers.

Some of the highlighted sires include: Millars Hondo, Baldrige Badger, Musgrave Rob Roy, Millars Benelli, Armstrong, Partisover Deep Roots and Millars Duke.

Whether you're in the market for a bull or just wanna day out before calvin' picks up, we'd love for you to be our guest. Come for lunch...grilled steak sandwiches with all the fixins' and homemade pie for dessert. Mark your calendar...Wednesday, February 18<sup>th</sup> at our ranch.

## — AROUND THE RANCH —

Oh it's that time of year! The heavies are sorted off, the calving barn is comin' to life and the bulls are getting ready for their big debut! Throw in the day-to-day chores and things are full steam ahead around our outfit!

As always, Summer was never long enough, but we pack it as full as we can! Ryle became an official high school graduate and to say he was excited would be an understatement! Kobi enjoyed time at a couple FFA officer camps and working at the local 4H office. Of course it wouldn't be summer if we didn't spend our fair share of time on the rodeo trail. Busy time, but wouldn't trade it for anything! Before we knew it, Fall was in the air. Kobi headed off to her sophomore year and Ryle has gotten used to his new "adulting" role. Jon and I...well, with the kids always on the go, we find ourselves cooking for two a little more often and getting a taste of what empty nest life will look like. Luckily Jonny Boy has a wife that loves to visit, so it doesn't get too quiet around here!

Wishing your family a safe and healthy 2026. You're always welcome to stop in!

*Breezy Millar*

## Focusing on the Customer: Dustman Ranch Caputa, SD

*"The Millars are some of the kindest people you'll meet. They take a personal interest in the success of our business just as much as their own."*

**A little bit about the Dustman Ranch:** The Dustman Ranch is owned and operated by Jack and Caleb Dustman along with Caleb's wife, Emily. Jack and Caleb are 4<sup>th</sup> and 5<sup>th</sup> generation, respectively. They are a cow calf Angus operation and run on about 4,000 acres near Farmingdale, SD.

**Millar Angus genetics on the Dustman Ranch:** We like using Millar Angus genetics for several reasons. Their genetics lead to even calves with excellent composition that really shine at sale time. We try to market a versatile set of calves and solid genetics allows us to do that. Disposition is another key factor for us. There are only two of us so having gentle bulls that are easy to handle is very important. The longevity of these

bulls and the future breeding stock they produce is hard to beat. The bulls stay in good condition while breeding and do not seem as prone to foot problems. Calving ease is another important factor for us. We like to see healthy cows and calves that require little intervention. Even though our calves are on the lighter birthweight side they gain quickly thanks to solid breeding stock we have raised from birth. Finally, the Millar Family themselves. This is also very important! There are a lot of options out there and we choose to do business with people who share our values and who have unmatched integrity.

## Hamburger & Potato Casserole

Millar Angus  
APPROVED

- 2 lb. ground beef
- 1 medium onion, finely chopped
- 3-4 medium potatoes, thinly sliced (peeled if desired)
- 1 cup shredded cheddar cheese
- 1 can cream of mushroom soup
- Salt & Pepper to taste
- 1/2 cup milk
- 1/2 cup sour cream
- Paprika, optional

Preheat oven to 350 degrees. Thinly slice potatoes and set aside. Brown ground beef/onion, drain. Season with salt/pepper. In bowl, mix together soup, milk and sour cream until smooth.

In a greased 9x13 baking dish, layer half the sliced potatoes. Spread half of the cooked ground beef over the potatoes. Pour half of the creamy sauce over the beef and potatoes. Repeat layers with remaining potatoes, beef and sauce. Sprinkle the top with shredded cheese and a dash of paprika.

Cover with aluminum foil and bake for 1 hour. Remove foil and bake an additional 20-30 minutes, until potatoes are tender and top is golden and bubbly.

What fella doesn't like his meat and taters...super easy!

# Sample of our 2026 Bull Sale Line-Up

Here's a sneak peek at a few bulls in this year's offering.

# Big things happening for Ryle Millar

*Ole' Junior Boss is expanding!*

For as long as I can remember, I've looked forward to the day I could ranch full-time. I remember telling my mom as a little boy that I wanted to do more than just open gates and help dad clean out bunks. She always told me, "just give it time, you'll get to do a little more each year." Well...I guess that time has come. I now find myself getting to work side-by-side with my dad and the rest of the crew helping with the day-to-day operations here at Millar Angus.

I was honored when Craig & Shelby of CS Angus gave me the opportunity to purchase their cows. I look forward to carrying on the strong foundation they started nearly thirty years ago. Raising registered seed stock is something I'm very passionate about and I look forward to growing my herd.

Whether you're one of the familiar faces I've grown up with over the years, or new to our program, I look forward to meeting you. Feel free to give me a call if you'd like to talk cattle. Or better yet, stop by...I'd love to show you around.

*Ryle Millar*

ESTD 1998  
**CS ANGUS**  
— RANCH —  
NEWELL, SOUTH DAKOTA

This time of year, typically finds us preparing to announce our bull sale and reconnect with all of you. This year however, finds us announcing significant changes here at CS Angus. After a considerable amount of heart felt contemplation this past year, we have made the decision to change direction and focus more on our custom feeding operations. To that end, CS Angus will not be holding a 2026 bull sale.

As part of this transition, we recently sold our registered cows to Ryle Millar (Millar Angus, Sturgis SD) who we believe, without question, will continue to build upon what we started nearly thirty years ago. Ryle comes from a rich heritage in the Angus breed and a family that is already producing some of the top cattle in the industry. We are confident that Ryle will not just carry our genetics forward but continue to improve upon them. When coupled with a strong foundation, Ryle will be well positioned to make his mark on the breed, and we have no doubt that he will do just that! While selling our cows has been a tough decision and a bit bittersweet, we know they will be a part of a program that will continue to advance their success. We know that Ryle would welcome the opportunity to share his vision for the future of these cattle with you.

It has been a great privilege to work with each of you. We sincerely want to thank you for your faith and loyalty in our program for the past 30 years! It truly means the world to us and we're thankful for the many friendships we've gained in this industry that will carry forward. If you have any interest in our custom feeding operation, we would love the opportunity to talk with you about it. From developing heifers to feeding calves, to mother cows. Our contacts are still the same so don't hesitate to call or message to reserve a spot here at CS Angus for your custom feeding needs. Wishing you and yours a wonderful 2026.

*Craig and Shelby Weirather*
