Millar Angus to Host 22nd Annual Bull Sale

Join us Wednesday, February 15th, 1:30pm at the ranch

Herd Sire Prospect!

Millars 22 Rimfire (Millars Duke 816 x PAHR Yeti B5 daughter)

It's one of our favorite times of the year...the Millar Angus bull sale! This will mark our 22nd annual production sale and will feature the cream of the crop, our best 135 yearling and two-year-old bulls.

All bulls on display are backed by years of strict culling and have been bred to add performance, length, thickness, carcass, disposition and maternal strengths to your herd. You'll find many of these bulls to be suitable for use on heifers.

Some of the sires highlighted in this years offering include: Millars Duke, SAV Renown, Coneally Dry Valley, U2 Coalition, SAV Renovation, SAV America, Tehama Tahoe, Ellingson Rangeland and Sitz Resilient.

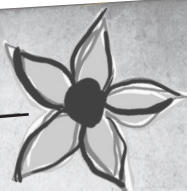

Whether you're in the market for a bull or just wanna day out before calvin' picks up, we'd love for you to be our guest. Tell the wife you'll take her to lunch...grilled steak sandwiches with all the fixins' and homemade pie for dessert. Mark your calendar... Wednesday, February 15th at our ranch.

To view a sampling of our bull sale line-up, turn to page 3. Complete sale catalog and videos will be available at: www.MillarAngus.com early February.

— Around the Ranch —

First of the year means things are movin' and shakin' here at Millar Angus! Calving has kicked off and there's no slowing down in sight. The bulls are looking good and will be ready for their big debut. Throw in the daily chores and bull sale preparations...this crew keeps hoppin'!

When it comes to the kids and I, we always seem to keep busy. Kobi will be playing a little travel volleyball this spring and then it's onto Junior High Rodeo. Let's just say...my car and I know the way to and from town very well. Our little boy Ryle, who is now a 6 foot tall sophomore in high school, is one of the guys around here. As soon as he gets home from school he's out helping with calving and chores. Me, well...I spend a fair amount of time in the office this time of year getting things put together for the catalog and bull sale.

Here's to wishing everyone a safe and happy 2023! Give us a call or stop by if you're in the area...we always love to visit!

Focusing on the Customer:

George & Jeannie Etchemendy Douglas, WY

"The Millars are great to work with and produce bulls with balanced genetics that work well for us from breeding season to the sale ring."

A little bit about the Etchemendy Ranch: George and Jeannie Etchemendy have a cow/calf yearling operation. They start calving mid-April. The main herd calves out on their own and the bred heifers get run through the shed. The calves are weaned and kept at home and wintered on grass and supplemented with hay and cake. Calves then go back to grass and are sold in the fall. Replacement heifers are raised from their own herd.

Millar Angus genetics on the Etchemendy

Ranch: We like Millar Angus genetics because they produce easy doing cattle that breed back and raise excellent calves. The cattle are quiet which is important at calving and weaning time. The Millars are great to work with and produce bulls with balanced genetics that work well for us from breeding season to the sale ring.

Tater Tot Casserole

Gotta LOVE quick & easy recipes!

**Millar Angus
APPROVED**

- 2 pounds ground beef
- 1 small onion, chopped
- 2 tsp. minced garlic
- 2 cans cream of mushroom soup
- 1 cup sour cream
- 2 Tbsp. Worcestershire sauce
- 2 cups frozen mixed veggies
- 2 cups shredded cheese
- Frozen tater tots

Brown hamburger, onion and garlic, drain. Add cream of mushroom soup, sour cream and Worcestershire sauce to the ground beef and mix thoroughly. Stir in mixed veggies.

Place beef mixture in a greased 9x13 pan. Top beef mixture with cheese. Place frozen tater tots on top of cheese layer.

Bake uncovered at 350 degrees for approx. 45 minutes.

This is a Ryle & Kobi favorite!
